

RESORT AMBASSADOR PROGRAM

Be a part of it!

An Association of Cass County Lakes (ACCL) and Cass County partnership

Become an AIS Detector in 2019!

A. SPONSORSHIP

Providing volunteers with the necessary training to identify and report potential infestations is one strategy to help prevent the spread of AIS within Cass County. In order to support early detection monitoring efforts, the Association of Cass County Lakes (ACCL) and the Resort Ambassador Program will sponsor citizen participation in the University of Minnesota Extension's AIS Detector Program in 2019.

B. APPLICANT ELIGIBILITY

Sponsorships are available to Cass County lake association members, AIS Inspectors, and other lake/watershed committee members interested in AIS issues with a desire to learn more and get involved. Must be 18 years or older

C. FUNDING : TWENTY sponsorships are available (FIVE through ACCL and FIFTEEN through the Resort Ambassador Program)

Your sponsorship (\$195 value) covers unlimited access to the online course, a printed companion for the online training, the full-day in-person workshop (including refreshments and lunch), a copy of the new AIS identification field guide, and networking opportunities with other AIS Detectors and experts. For more information on the AIS Detector Program: www.maisrc.umn.edu/ais-detector

D. APPLICATION SUBMITTAL AND REVIEW

Applications for the sponsorship must be submitted by March 15, 2019. If you need additional information, please contact Linda Blake, blake@umn.edu or any ACCL Board Member.

E. PAYMENT

Once your sponsorship is approved, your information will be used to register and to pay the fees on-line.
